

Assignment #1 Due Feb 2, 2012 (15 points)

To become a professional that engages in lifelong learning, it is helpful to better understand your learning style.

- 1) Complete the Index of Learning Styles Questionnaire at <http://www.engr.ncsu.edu/learningstyles/ilsweb.html>

After you finish answering the questions, click submit, and a results page will be presented to you. Turn-in a hardcopy and an electronic copy of these results (e.g. save as a pdf).

- 2) Read "Learning Styles and Strategies" at <http://www4.ncsu.edu/unity/lockers/users/f/felder/public/ILSdir/styles.htm> and then prepare a written analysis that includes the following:
 - a) a paragraph that summarizes the results of the report and provides your response to the description -- i.e. do you agree or disagree? why or why not? give specific examples.
 - b) a paragraph (or two) that describes the teaching and evaluation process that you would like for Your Ideal Senior Elective Class (e.g. this class or another Tier II or technical elective).
 - c) A paragraph describing what you can do to "help yourself" in this course based on your analysis of your learning style.
 - d) A paragraph that lists 2 specific changes that I could make to this class right now that would help you to learn based on your learning style. Be specific and make sure to relate the suggested changes to specific aspects of your learning style.
